Commute 15.4" Laptop Sleeve w/Memory Foam

Not just your average sleeve. The Commute provides extra protection for laptops up to 15.4" while carrying inside a bag or independently with its clever stow-away handles.

Elastic corner guards keep zippers away from your laptop and also maintain the most effective positioning for the Commute's advanced memory foam padding to absorb bumps and shocks. Soft felt interior lining will not scratch.

A front stash slot can accommodate a power adapter and small accessories, making the Commute a capable independent hand-carry shuttle. The handles cleverly stow away when carrying inside another bag.
