Powerline Adapter Set 85Mbps

Features

- 2pcs Set of Powerline adapter for 220 Volt in house power supply system
- Port: One 10/100 Ethernet RJ45 port
- Standards IEEE 802.3, IEEE 802.3U, HomePlug 1.0.1
- Up to 85 Mbps PLC data transmission rate
- Fully Compatible with HomePlug 1.0 product
- DVD quality Video & Audio streaming
- LEDs Ethernet: LINK/ACT (G)
- LEDs Powerline: LINK(G), ACTIVITY(Org), COLLISION(R)
- IPTV application
- Peer to Peer networking
- Simple installation, just Plug-&-Play
- 56 bit DES safety encryption utility management
- Frequency band 4.3 – 20.9 MHz
- Modulation OFDM (QAM 256/64/16, DBPSK, DQPSK)
- Nodes: Supports up to 15 nodes per network
- PHY Rate: 85Mbps
- TCP: Up to 25-30Mbps throughput
- UDP: Up to 35-40Mbps throughput
- Temperature: 0 - 40 °C
- Humidity 10 - 85 % non condensing Protection
- Power Supply 100~240 VAC, 50/60 Hz
- Power consumption < 5 Watt
- Dimensions (LxWxH): 95x65x80mm
- Weight 155g
